YASIR AMEEN, Android & iOS App Developer

With a focus on **Mobile App Development**, I've collaborated with a range of companies, from European food delivery startups like **Zeew** to innovative social platforms in the USA.

Holding key certifications such as an **iOS Nano Degree by Udacity** and **Android by OESF**, my contributions have been recognized through prestigious awards like the **Android Grand Award** and the **Shaheen Peace Award**.

Employment History

Lead Mobile App Team at Circadia Health, UK Remote

February 2021 — Present

As **Lead of the Mobile App Team** at **Circadia Health**, I spearheaded the development of **Circadia Pro** for respiratory care, improved **Circadia Track** for sleep analysis, and launched a **Research Kit app** for COVID-19 studies. Additionally, I deployed an app on the **Amazon App Store**.

Senior Android App Developer at ZEEW (zeew.eu), Latvia Remote

June 2019 — January 2021

As a **Senior Mobile Application Developer** at **Zeew**, I created **Zeew - food delivery & takeaway** for customer orders, **Zeew - Rider app** for delivery logistics, and **Zeew - Restaurant app** for order management.

Senior Mobile App and Node.js Developer at Rubikkube Limited, Karachi

June 2018 — May 2019

As a **Mobile Application Developer** at **Rubikkube**, I created **SeatCheck** for social dining, **FOODEE** for meal-sharing, and **Special Matrimony** for individuals with physical disabilities, all while specializing in **Android and Node.JS API development**.

Senior Mobile App Developer Android at invisionsolutions.ca, Karachi

August 2016 — December 2017

As a **Senior Mobile Developer** at **Invision Solutions**, I contributed to **Mopolo** for mortgages, developed **DangleTime** for stickhandling training, and worked on **Simpill** for medication management.

Mobile App Developer at Web Innovation, Karachi

February 2019 — July 2016

As a **Mobile Application Developer** at **Web Innovation**, I developed **Lakhani Pilgrimage** for live tracking of pilgrims and **Click Control** for time and attendance management.
